

# Crawley Microwave Round Table Program

Sunday 17th September 2023

Welcome to the Crawley Roundtable hosted once again at the premises of the Crawley Amateur Radio Club.

The morning session will feature the usual 'bring and buy' sale, so if you have surplus radio items then please bring them along.

Again this year following we will be holding a heat for the UK Microwave Group annual Project contest. Please do bring along your constructed equipment or project and enter. Entries do not necessarily need to have been finished during the last year. Please note that the contest will also accept software entries as well as hardware.
