## **Project Support Stage Payment Form**

Use this form for stage payments for projects already approved by the UKuG Committee.

The total of all stage payments made can be up to 75% of the total project cost. Only include items costing more than £100.

For example an item costing £200 for a project with a total cost of £500 will be reimbursed in full, providing it (and any other stage payments made) is/are within the 75% limit, in this case £375. Any remaining costs will be reimbursed upon completion of the project.
